CALENDARIO PASO A PASO

Planning your quince like a PRO!

We know first hand that planning a quinceañera isn't easy. There is so much to figure out like who's gonna do your makeup? Where are you getting your dress? Is it in your budget? What about the banquet hall? Where are you getting the food from? And the list goes on and you are not done there. You need to figure out the order you need to start planning things. Like, you can't order your dress one month before your quince. And you can't start practicing for the vals 10 months before. It's too early to even think about that.

That is why we have created the perfect graphic step by step to help you figure this all out. The big picture of your quince is here and is made so you won't be lost. It will help you get organized and it will help relieve some stress.

This edition of Quinceañera Magazine is for all the girls that need help planning their quince. In this edition you will find everything you need to start planning like a pro.
